

Covid-19 Release Statement for Campers

I certify that my child, _____, has not, nor has any one in our household, had a fever, persistent cough or any other COVID-19 symptom in the past fourteen (14) days. I also have no reason to believe that my child, nor anyone in our household, has been in contact with anyone who has had any of these symptoms in the past 14 days.

I verify that my child will be participating in a general wellness and temperature check (conducted by Laurelville staff) before day camp begins each morning. If at any point during camp, my child exhibits any symptom of illness, my child will be sent home with a partial refund in accordance with Laurelville's refund policy.

PARENT OR GUARDIAN MUST READ AND SIGN BELOW FOR EACH CAMPER

I recognize and acknowledge that COVID-19 is a health threat at this time and that my child will be interacting with other people at Laurelville on a daily basis. Although Laurelville will make every attempt to comply with all relevant government requirements and recommendations with respect to COVID-19, I hereby agree to indemnify and hold Laurelville harmless from any claims related to the spread (or worsening of any previous undetected) infectious diseases, including but not limited to COVID-19, to my child, or that my child may carry to another individual, as a result of attending Laurelville's summer camp program and as such I assume all associated risks. I also understand that this paragraph adds to but does not supplant or otherwise alter the standard Medical Information and Release of Liability form which I have signed as part of my child's registration for summer camp.
