LAMENT AND HOPE

January 21-23, 2022

This retreat will explore the theme of lament and hope through songs and worship resources from *Voices Together*. Topics include the psalms, anger, sexual abuse, climate crisis, community tragedies, and more. Resources from Anabaptist sources will be a focus of the weekend. Our theologies of hope and lament are expressed and formed when communities gather for worship. Guest speaker Safwat Marzouk will give our keynote, and the *Voices Together* resource team will be Benjamin Bergey, Katie Graber, Sarah Kathleen Johnson, Anneli Loepp Thiessen, Darryl Neustaedter Barg, and Adam Tice.
